

DEPARTMENT OF THE ARMY
USAG WEST POINT MILITARY POLICE COMPANY
654 EICHELBERGER ROAD
WEST POINT, NY 10996-1514

Ladies and Gentlemen,

Congratulations on your assignment to the United States Military Academy at West Point. You are assigned to the U.S. Army Garrison (USAG) Military Police Company, which is located in Building 654. Once you arrive, if it is during the duty day, report to the MP Company orderly room at building 654. During non-duty days or after hours, you can sign in off leave at the Provost Marshal Office (MP Station), building 616 on Swift Road, with the MP Desk Sergeant.

We comprise of around 100 MPs and have a diverse mission. We provide trained and equipped Military Police Soldiers to conduct Law Enforcement and Force protection Operations in order to protect the West point Community and facilitate the United States Military Academy missions. We also conduct Military Honors Funerals and provide support for other ceremonial events at West Point and the surrounding areas.

You can contact the MP Company directly at DSN 688-8872 or commercial at (845) 938-8872. Single Soldiers in the rank of Sergeant and below will be billeted in the barracks, if this applies to you please make coordination ahead of time so we can have a NCO standing by to sign you into the barracks. The availability of guest housing at West Point fills up quickly on post and is expensive off post (about \$100 a night). If you plan to bring family, contact the Five Star Inn (on-post lodging) 90 days prior to your report date for reservations at (845) 938-6816 or DSN at 688-6816. If you have pets, there are a few hotels off post that accept them with an extra fee. Morgan Farms (MWR) can also house pets, their website can be accessed through the MWR West point homepage.

We look forward to your arrival and being part of the USAG MP Company, Knights of Justice!

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen P. Raschke", is written over a horizontal line.
